Group 1.—50·8 per cent of the seats will be allotted for the candidates from the group of districts which is predominently Tamil, viz., Madras, Chingleput, North Arcot, Salem, Coimbatore, South Arcot, Tanjore, Trichinopoly, Madura, Ramnad, Tinnevelly and the Nilgiris.

For purposes of admission, the number of seats reserved for women and those available for men candidates should be taken up separately and allotments made in accordance with the ratio indicated above.

If a sufficient number of candidates belonging to each district is not forthcoming to fill all the available seats in accordance with the ratio, the balance of seats left over should be distributed among the remaining districts in the proportion in which seats have been allotted.

Their names should not be published until they are actually required to join any one of the Colleges.

It shall be open to the Principals to admit more women candidates if qualified candidates are available and if they are eligible for selection in accordance with the general principles governing such admissions.
